HOW TO GET TO THE LECTURE THEATRE

Exit through the main entrance of We The Curious, turn left and then right onto the main road. Continue on the main road, with the aquarium on your right-hand side, until you reach the main entrance for the former IMAX lecture theatre.

There will be clear signage at the event with details on how to make this journey.

The weather forecast for the conference looks great so far, but as there is a short walk from We The Curious to the Lecture theatre it may be advisable to pack an Umbrella, just to be on the safe side.
