VASGBI ANNUAL SCIENTIFIC MEETING

LEEDS 2024

A welcome message from the 2024 Local Organising Team

Thank you for your interest in the Vascular Anaesthesia Society of Great Britain and Ireland's 28th Annual Scientific Meeting.

The venue for the 2024 meeting is the Queens Hotel in Leeds, an art deco inspired hotel located in the heart of the city centre. Transport links couldn't be easier with the hotel situated immediately adjacent to the train station and Leeds Bradford airport just over five miles north of the city.

With much to offer, Leeds, England's third largest city and unofficial capital of Yorkshire, is an excellent host for the 2024 meeting. It is ideally located in the middle of God's Own County within easy reach of Manchester, Sheffield and Newcastle and with direct links to London and Birmingham.

Birthplace to M&S, moving pictures, fizzy drinks and Cluedo there is more to Leeds than meets the eye. A renowned retail destination with a thriving independent food scene, there is much to discover and enjoy all within walking distance of our conference venue.

We are delighted to be hosting our next event in this vibrant city and hope you will be able to join us in September 2024.
